

JETT CHALLENGE SOCCER

Challenge your friends with this sturdy yet economically priced foosball table. The heavy-duty cabinet is finished in a burn, scratch, and stain resistant high pressure laminate with a dark walnut finish. The one piece extra thick black playing surface has ramped corners to keep the ball on the move. Full ball-bearing bushings provide fast action and balanced players move quickly but will stay horizontal waiting for their next shot. Large rubber

handles will fit all hands comfortably and 5/8" steel rods will last a lifetime. It features convenient side ball returns, deluxe dice style scorers and fold down drink holders. This contemporary looking, well designed table is perfect for hours of family fun! Some assembly required.

JETT CHALLENGE SOCCER

Ball Bearing Bushings

Lightning fast play is guaranteed with our Ball Bearing Bushing system. The rods ride on 10 steel ball bearings so they won't bind during aggressive play.

Heavy Duty Cabinet

The cabinet is constructed to endure rough play with a full 1" thick top rail and High Pressure Laminate finish. The cabinet comes preassembled from the factory for quicker setup and rigidity.

Balanced Players

Players are top weighted and balanced allowing the men to stay "parked" horizontally during play. The feet are textured front and back for superior ball control.

Metal Rods and Extra Large Rubber Handles

The rods are 5/8" metal that is chrome plated with extra large rubber handles for precise grip.

Deluxe Scoring

This table features deluxe inlaid dice style scorers for a clear look and durability.

One-Piece Playing Surface

The extra thick 3/8" playing surface will endure the most aggressive ball-trapping action and has raised corners to keep the ball in play at all times.
