**“THE PLAY IS A FRIEND” KARMA CARD:**

- When this card is played, the next player must play a number 5 lower or any number less than 5.

**“PLAY A TABLE CARD” KARMA CARD:**

- This card allows the next player to play any card(s) from your hand on the discard pile.

**“BOTTOMS UP” KARMA CARD:**

- When this card is played, move the bottom card of the discard pile to the top of the discard pile.

**“GIVE THE PILE TO A FRIEND” KARMA CARD:**

- The next player must play on this new top card. If the card(s) can be played, take the card at the bottom of the discard pile and place it on top of the “BOTTOMS UP” KARMA CARD. When this card is played, move the bottom card of the discard pile to the top of the discard pile.

**OTHER POINTS OF CLARIFICATION:**

- If you already have 3 or more cards in your hand you do not draw. If you have 3 or fewer cards in your hand you must draw the necessary amount from your opponent’s discard pile.

**The last player who still has cards loses the game. All other players win.**
