

TRUTH OR DARE[®]

INSTRUCTIONS

2-6 Players

Ages 12 & Up

Contents:

- 75 Truth or Dare Cards
- 75 Trivia Cards

Object:

To be the first player to get rid of all the Truth or Dare cards in your hand.

Setup:

Separate the Truth or Dare Cards and Trivia Cards into two decks and shuffle each deck separately. Deal five Truth or Dare cards to each player and set the rest aside. Put the Trivia Cards face-down in a stack in the center of the table. Choose "top" or "bottom" to determine which trivia question from each card will be asked during the game.

Game Play:

The youngest player is the first Reader (Player 1), and draws a Trivia Card from the stack. The Reader chooses any player (Player 2) and asks him/her either the top or bottom trivia question on the card (depending on whether "top" or "bottom" was chosen at the beginning of the game).

If Player 2 guesses correctly, he/she asks the Reader any Truth question from a card in his/her hand, and discards the corresponding card. The Reader must answer truthfully! If the Reader refuses to answer then a second card may be discarded by Player 2.

If Player 2 guesses incorrectly, the Reader chooses a Dare from a card in his/her hand and reads the Dare to Player 2. If Player 2 cannot or will not do the dare, the Reader may discard a second card from his/her hand.

Play continues with Player 2 becoming the new Reader. If the game has more than two players, the new Reader must choose a different player than the previous Reader to ask a trivia question. That player then becomes Player 2 and play continues.

Winning the Game:

The game ends when one person gets rid of all the Truth or Dare cards in his/her hand. That player is the winner!
